

A Holiday a Day

***365+ ways to
celebrate***

find your happy day

The holidays included in this printable have been chosen specifically for use as a fun family activity. There are some holidays intended to celebrate family time (Scrabble Day!), some to encourage learning (International Astronomy Day), some to maybe try something new (Peanut Brittle Day) and others just for fun (Eat Ice Cream for Breakfast Day!)

Pick and choose the ones that work for you.
Have a happy day!

All holidays listed are “national” U.S. designated/recognized holidays, unless noted as “World” or “International” days.
