## ARTS & CRAFTS

- color mixing with water ([notimeforflashcards.com/2016/11/color-mixing-tray.html](http://notimeforflashcards.com/2016/11/color-mixing-tray.html))
- paper bag owl ([theinspirationedit.com/paper-bag-owl-craft-for-kids/](http://theinspirationedit.com/paper-bag-owl-craft-for-kids/))
- letter O octopus craft ([prekreative.com/crafts-for-kids-o-is-for-octopus/](http://prekreative.com/crafts-for-kids-o-is-for-octopus/))

## GAMES & ACTIVITIES

- make an obstacle course
- hold a family Olympics
- set up a play office (desk, phone, computer, files, clipboard)
- make a sensory bin with sand, shells, ocean toys; have them add water incrementally with a small dropper and play in the sand
- use shells for counting and sorting activities

## MORE WEEKLY FOCUS IDEAS

- use orange slices to count to 12; one dozen donuts = 12 (in the shape of an O!)
- fold paper in half and draw half a heart; have your child practice cutting, then open paper to reveal heart shape
- any Picture Dictionary book - O words
