- Quack and Count (Baker)

SNACKS & FOOD

- quesadilla
- quiche
- quick bread
- quince
- quinoa

FIELD TRIPS

- quay
- castle or mansion
- quarry

ARTS & CRAFTS

- paper quilt (give your child 12 equal size squares of colorful paper and have them draw a picture on each; glue onto construction paper to make a quilt)
- print a crown template (firstpalette.com/printable/princess-crown.html) and decorate with metallic colors (silver/gold crayon, Sharpie, glitter, jewels)
- Q-tip painting castle (therapyfunzone.net/blog/q-tip-painting-with-templates/)
- letter Q quail craft (info.allaboutlearningpress.com/abc-crafts-uppercase)

GAMES & ACTIVITIES

- go on a quest: hide quarters around the house and mark the spot with a question mark
- quilt quarter toss: write instructions on 12 pieces of paper (touch your toes, find a spoon, turn in a circle); tape the papers together in a quilt shape; have your child toss a quarter onto the paper quilt and follow the instruction
- quick time game: set up a start and finish line; give an instruction like bear crawl, run, hop, slide, and use a stopwatch to time them doing it three times; tell them which time was the quickest - 1st, 2nd, or 3rd
- question time: ask your child 12 yes/no questions (are you wearing blue? do you have a dog?); then let them try asking you 12 questions

MORE WEEKLY FOCUS IDEAS

- practice folding a square piece of paper into quarters (half, and half again)
- any Picture Dictionary book - Q words
